

DBIA offers many flexible education options

IT'S EASY TO FIND A COURSE TO FIT YOUR NEEDS

Whether you want the engagement of a classroom or the quiet convenience of your own computer, DBIA has the education and training you need. The use of design-build is growing rapidly nationwide and an increasing number of public agencies are looking for teams with DBIA educated and certified members.

Whether it's instructor-led courses, custom training for your team, webinars or recorded conference panels, DBIA is proud to offer the only Design-Build Done Right™ education in the nation.

In-Person

CERTIFICATION WORKSHOPS & INDIVIDUAL CLASSES

As the only organization that defines, teaches and promotes best practices in design-build project delivery, DBIA instructors are experts in our industry. They bring decades of real-world design-build experience to their courses, providing practical and personal attention to ensure attendees leave with “how-to” strategies and techniques for their successful design-build projects. Search our course calendar at dbia.org/courses for details, pricing and online registration for all our many in-person design-build courses. You can also download a PDF registration form.

Discounts are available for federal government agencies and employees under DBIA's GSA Federal Supply Schedule. GSA pricing available at dbia.org/courses.
