Design-Build Conference & Expo 2019
LAS VEGAS

Registration Is Now Open!

NOVEMBER 6–8, 2019 | #DBIACON
They Say, “What Happens in Vegas…”

Well, you know the rest.

But I believe you’ll find so many terrific new ideas, innovations and tips on implementing Design-Build Done Right® while you’re with us in Las Vegas for the 2019 Design-Build Conference & Expo, that what happens here won’t stay here. You’ll be excited to put those lessons learned to work on your own projects back home.

We have a jam-packed schedule this year including the hottest design-build topics, trends and innovations. In fact, we’ve had to extend the program to squeeze it all in! So, you should plan to begin your time with us on Tuesday, November 5, for a full day of pre-conference workshops and a personal stadium tour of the impressive work underway at the Las Vegas Raiders Stadium.

We hope to see you then!

Lisa Washington, CAE
DBIA Executive Director/CEO

New This Year

TUESDAY, NOVEMBER 5
Design-Build Done Right®
8:00am–4:00pm

This year, DBIA will offer two different pre-conference workshops for Owners and practitioners to choose from. Regardless of the design-build procurement approach, design-build has been proven to save time, be more cost-effective, enhance problem-solving and foster innovation. The hallmarks of design-build – collaboration and single point of responsibility – apply in all approaches from a traditional best value approach to a progressive approach. These sessions allow you to take a deeper dive into each of these approaches. Choose between:

Best-Value Design-Build Done Right®
Instructors: Craig Unger, FDBIA and Bill Godwin, DBIA, LEED AP

Progressive Design-Build Done Right™
Instructors: Geoff Neumayr, SE, PE. and Robynne Thaxton, JD, FDBIA

Educator Workshop
8:00am – 4:00pm

DBIA’s Educator Workshop program provides design-build curriculum for professors and instructors to teach the principles of Design-Build Done Right®, We’ve now expanded the program to provide even more design-build content for our educators. Pre-approval and other conditions apply. Contact education@dbia.org to find out more.

No fee required. Pre-approval required.

Las Vegas Stadium Tour
2:00pm–4:00pm

Tour the future home of the Las Vegas Raiders and see first-hand how design-build is being used to construct this massive landmark. The Las Vegas Stadium will provide a world-class home for the NFL Raiders upon the team’s relocation in 2020. The Mortenson | McCarthy joint venture team is building the $1.9 billion domed stadium featuring 65,000 seats (expandable to 72,000), a retractable natural turf field, large operable walls that open to spectacular views of the neighboring Las Vegas Strip and a variety of premium spaces throughout all levels. In addition to the stadium, the site will accommodate tailgating amenities, parking and a mixed-use commercial development.

Limited number of seats available!

= requires additional fees to attend
**OPENING KEYNOTE**

**The Business of Innovation**

Terry Jones  
*Founder and Former CEO of Travelocity & Former Chairman of Kayak.com*

Terry Jones has built a career as an industry disruptor by utilizing technology as a competitive advantage. With extensive expertise on the rapidly changing digital world, Jones offers eye-opening insights on the advantages of fostering innovation in organizations of all types and sizes, leadership in a wired world and the importance of building digital relationships in any industry.

**THURSDAY, NOVEMBER 7**

**GENERAL SESSION**

**The Imperative and Opportunity to Invest in Resilient Infrastructure**

Stephen E. Flynn, Ph.D.  
*Founding Director, Global Resilience Institute & Professor of Political Science at Northeastern University*

The World Bank estimates economic losses due to natural disasters could reach $500 billion annually. The need for resilient infrastructure is critical and yet there are major barriers to advancing the widespread adoption of resilient design and engineering best practices. Dr. Flynn will present options for overcoming those barriers, talk about the billions of dollars now starting to flow into thousands of newly created Opportunity Zones throughout the nation and the role design-build teams can play in improving our infrastructure resiliency.

**FRIDAY, NOVEMBER 8**

**GENERAL SESSION**

**Everything (and Nothing) Has Changed**

Barbara J. Jackson, Ph.D., FDBIA  
*Director, Burns School of Real Estate and Construction Management, University of Denver*

Dr. Jackson is one of America’s design-build pioneers, an author, educator and widely recognized expert on making the mental shift. Design-Build Done Right® requires far more than just winning a design-build competition or signing a design-build contract — it takes a whole new mindset. Dr. Jackson will address the challenges in shifting from a segregated services mentality and the skills necessary to be a successful design-build team member, and what it takes to manage and lead multi-disciplined teams to achieve optimized results under the Design-Build Done Right® approach.

**CLOSING KEYNOTE**

**The Right Kind of Crazy — A True Story of Teamwork and High Stakes Innovation**

Adam Steltzner  
*Team Leader & Chief Engineer EDL, NASA Mars Rover Curiosity & Author*

He’s been described as a “rock and roll” engineer. Adam Steltzner was the Landing Lead for the Mars Curiosity Rover, a project he spent ten years designing, testing and building. Currently with NASA’s Jet Propulsion Laboratory (JPL), Steltzner has worked on several flight projects including: Galileo, Cassini, Mars Pathfinder and Mars Exploration Rovers. Steltzner will talk to DBIA attendees about leadership, change, focus, performance and innovation.

Opening Party at OMNIA Nightclub

**WEDNESDAY, NOVEMBER 6**

7:00 – 10:00PM

You’re design-builders and there’s a lot to celebrate! So, let’s take the party to the infamous OMNIA Nightclub located in Caesars Palace. “OMNIA” means “everything” — and true to that name, it is all you want it to be. More than a place to hold an event, it is a way to embark on a journey. OMNIA is where iconic opulence converges with future-forward technology for a space that entices the senses and captures the imagination. It will be a fun-filled night of food, drink, music, dancing and so much more.

Early-bird tickets are $95 per person and can be purchased during registration.

For Members

WEDNESDAY, NOVEMBER 6
Membership & Credential Holders Breakfast
Celebrating DBIA Members & Credential Holders
8:15AM–9:45AM

Calling all DBIA members and Class of 2019 credential holders! Help us celebrate your peers at DBIA’s Annual Membership Meeting as we honor those who earned their DBIA credential in 2019. As design-build grows, so has the need for qualified professionals and DBIA is proud of our 2019 record-breaking certification class. We’ll also introduce you to the new group of leaders who will serve you on the DBIA National Board of Directors and Certification Board. We’ll fill you in on DBIA’s successes and achievements in 2019 and enjoy some members-only networking time. You won’t want to miss it!

For Owners

The Design-Build Conference & Expo is designed with Owner (both private and public agency) needs in mind. This year we’re excited to offer a full schedule of events for design-build Owners. These exciting activities, combined with over 25 sessions focused on everything from making the design-build decision, to achieving exceptional outcomes with design-build, make this a must-attend event for both private and public Owners.

Owner Scholarships Available!

Our goal is to help Owners succeed using design-build. DBIA’s design-build conferences are among the most effective ways to network, learn first-hand from Owner peers and receive Design-Build Done Right® education all in one location. We want you there.

Owners can apply to defray the cost of attending by requesting hotel assistance or a travel stipend (all scholarships include complimentary registration). The deadline to apply is September 12.

Scholarship funds are limited so apply early at dbia.org/owners/owner-scholarships.

When Owners think design-build, they think "DBIA." Below is a sampling of the Owners participating at last year’s Design-Build Conference & Expo. Each year the list grows and we’d like you to join us too.

WEDNESDAY, NOVEMBER 6
Owners’ Forum
10:00AM–12:00PM

Among our most popular and well-attended events, the Owners’ Forum allows open, honest discussion and provides professionals the opportunity to share views, answer questions and find solutions to project delivery challenges. Industry professionals, including consultants, are not permitted in this session.

Owners’ Networking Lunch
12:00PM–1:15PM

Immediately following the Owners’ Forum, we’ll host Owners for a networking lunch allowing you time to follow up one-on-one, continuing the conversation with your Owner peers.
Spouse/Guest Program

There’s no reason to leave your loved ones at home. DBIA has a plan for them too! Guests, spouses and family can explore Las Vegas with access to DBIA conference activities. Pick one tour or both and everyone can enjoy all that Las Vegas has to offer. Your Explore Las Vegas package includes admission to DBIA general sessions and exhibit hall receptions.

THURSDAY, NOVEMBER 7TH
The Mighty Hoover Dam and Ethel M. Tour

A modern civil engineering wonder of the world, the Hoover Dam soars over 726 feet high. This powerhouse has tamed the mighty Colorado River, controls floods, provides irrigation water and produces hydroelectric power. A visit to the exhibit gallery, observation deck and power plant provide an overview and history behind Boulder City and Hoover Dam. Your experience is enhanced with the Ethel M Chocolate Factory tour, including lunch in the garden. During the presentation guests learn how to make delicious premium chocolate pieces, as well as a little history about Ethel M and the founder, Forrest Mars, Sr.

3 hours
Continental breakfast & lunch provided
$150

FRIDAY, NOVEMBER 8TH
Las Vegas City Tour with High Roller

Take an exciting guided tour of Las Vegas led with a seasoned tour guide who has authentic and personal anecdotes. Tour the “Strip” with commentary on the history of the buildings and what is on the way. The tour begins with a stop at the world-famous Las Vegas sign for a photo opportunity, continues down the strip with guided commentary on the history of Vegas and culminates at the High Roller in Linq Promenade with unparalleled views of the Vegas Valley.

3 hours
Continental breakfast provided
$95

Design-build is the nation's fastest growing and most popular delivery method with design-builders delivering nearly half of our nation's projects. As the only event in the nation focused exclusively on the rapidly growing design-build industry, this event provides you a unique opportunity. Don't miss the chance to:

- **Network with Owners**: Last year Owners represented over 10% of the attendance at the 2018 Design-Build Conference & Expo in New Orleans.
- **Build your Team**: Network with all members of the project team including general contractors, architects, engineers, MEPs, attorneys and finance professionals.
- **Meet Decision Makers**: Our attendees are mid to upper level management including CEOs, COOs and Vice Presidents. Network with those who have the power to make instant decisions.
- **Maximize your Time**: All show hours are non-compete hours so that exhibitors can also attend sessions.

#### Event Cancellation, Substitution and No-Show Policy

- All cancellations must be received in writing and sent to the DBIA Meetings Department at meetings@dbia.org.
- If you cancel before September 27, you will be refunded your registration fee less a $100 administrative processing fee.
- Cancellations received between September 27–October 19 will be refunded the registration fee less a $150 administrative processing fee.
- No refunds will be given for “no-shows” or for cancellations received on or after October 20, 2019.

As an alternative to cancellation, substitutions may be made. The appropriate member or non-member fee will apply to the substitute and any rate difference must be paid in full (including balance due) at the time of request. Badge sharing and splitting is prohibited. Please visit designbuildexpo.com for substitution rules and the substitution form.

#### Continuing Education Information

Individuals who attend the full conference beginning with the Opening Keynote can earn up to **13.5 hours** of Continuing Education Units (CEUs).

**Owners** can obtain additional CEUs by attending Best-Value Design-Build or Progressive Design-Build Done Right™ and the Owners’ Forum on Wednesday morning.

**Practitioners** can earn additional credit by attending Best-Value Design-Build or Progressive Design-Build Done Right™ and the Practitioners’ Forum on Wednesday morning.

DBIA is an approved AIA provider. Please see onsite AIA form for AIA approved sessions.

#### Ways to Save

Not a DBIA member? Join before you register and take advantage of significant savings. Visit dbia.org to learn about the benefits of being a member and to join online.

DBIA’s Young Professionals will rule the world someday! That’s why we’re offering a special conference registration rate to those 35 years old and younger. YPs can save **10% off** their individual registration.

Ten (10) or more paid full conference individuals from the same company receive a significant discount on a full conference registration. Discounts range from $150/person to $250/person depending on the number of people and registration. All registrations and payment must be received together to qualify. Visit designbuildexpo.com for group pricing details and special registration forms.
