NEW Water & Transportation Tracks Added

IN-PERSON ONLINE

REGISTRATION IS OPEN

OCTOBER 28-30, 2020
NATIONAL HARBOR, MD | #DBIACON
We’ve Missed You.

We all know how challenging these past months have been and only time will tell where we’ll be in our fight against COVID-19 by the end of October. However, one thing is certain. Our design-build teams are anxious to connect with their peers, share their unique experiences and learn from each other as we plan for the future.

Design-build was about relationships before COVID-19, and it continues to be about relationships. For this and other reasons, DBIA looks forward to seeing you, in-person, October 28-30 at the Design-Build Conference & Expo. If it is impossible for you to attend in-person, DBIA is excited to announce an additional option.

After many months of collaboration with our members and volunteer leaders, we’ve decided to offer a virtual option for this year’s annual event for those who are unable to attend in-person. Our goal is to provide some certainty in these uncertain times. We know some organizations may have travel restrictions and others are unable to attend due to COVID-19. We get it! For you, we offer the option to attend virtually and still reap the benefits of our top-notch education program plus the valuable products, services, and expertise our exhibitors and sponsors provide.

For those who have already resumed travel and personal meetings and are eager for the traditional conference experience, the 2020 Design-Build Conference & Expo’s in-person event offers more education tracks than ever. We will maintain an aggressive safety program plus social distancing guidelines following state, local and CDC guidelines, including:

- Cleaning of all public spaces and guest rooms with electrostatic sprayers utilizing hospital-grade disinfectant.
- The provision of disinfectant wipes in sleeping rooms for guests’ personal use.
- Density reduction in all meeting rooms and exhibit hall spaces to ensure appropriate social distancing.
- Availability of hand sanitizing stations throughout the meeting space.
- Contactless room service.
- Modified operational practices for food service during the event (i.e., individually wrapped items as opposed to buffet).

Even if our in-person event must be cancelled because of changing conditions, your registration will automatically convert to virtual and we will refund the difference in price. You can register with confidence, knowing the 2020 Design-Build Conference & Expo will happen!

Whether in person or virtually, we need this time together because YOU are essential to our nation’s recovery. Design-build will play a major role in getting projects back on track. Whether it’s restarting projects delayed or put on hold during the pandemic or launching vital new infrastructure projects sure to emerge as part of a future stimulus package, we know design-build is crucial to our economic recovery. You are an essential element of that success.

DBIA is committed to your success, and we look forward to seeing you in October – in-person or virtually.

Lisa Washington, CAE
DBIA Executive Director/CEO
We Have So Much To Do.

It feels like we've all been "building the bridge as we walk on it" for months. Through it all, there have been lessons learned which can inform our future. Now's the time to bring together our diverse experiences so we can do what design-builders do best — collaborate and innovate to help define what comes next. Whether it's continuing our vital work during the ongoing pandemic or finding new opportunities to help fuel an economic recovery, we know design-build will be at the heart of both efforts. That's why DBIA has planned the most extensive design-build education program in our history for the 2020 Design-Build Conference & Expo in October. There is so much to do! With 7 tracks of sessions, including targeted tracks for Water/Wastewater, Transportation and Virtual Design and Construction, this event offers the most design-build education and training ever offered at one event. These difficult times demand it.

As a diverse group of event chairs, we have collaborated over many weeks with DBIA leadership to help rebuild the 2020 Conference & Expo from scratch to ensure this event hits all the timely and critical issues for design-build teams working in this new COVID-19 world. There are so many stories to share and lessons-learned for design-build teams who are blazing new trails and innovating project solutions each and every day. Whether you join us in-person or remotely, DBIA is committed to help industry and Owners prepare for an uncertain future by providing the nation's only Design-Build Done Right® tools and resources plus real-world solutions to today's challenges.

Whether this is your first DBIA conference, or your 20th, we hope you'll take some time to look through this brochure for a summary of the many sessions on tap and then register to join us. Our programming provides the nation's only Design-Build Done Right™ education, including focused training for our Water/Wastewater and Transportation attendees who missed our spring specialty events.

**SAVE BIG**

Small Businesses Save 30% on Registration

*See discount qualifications on page 11*
DBIA is excited to introduce you to some of the nation’s most innovative and collaborative design-build Owners and industry leaders. With seven tracks of education and five General Sessions, plus two ways for our attendees to participate, the 2020 Design-Build Conference & Expo will be historic.

**Opening Keynote**
Wednesday, October 28th
1:00 – 2:15pm

**The “How” of High Performance**
John Foley
Former Blue Angel Lead Solo Pilot

John Foley spent his early career as a lead solo pilot in the U.S. Navy’s Blue Angels, where he learned to perform consistently as part of a close-knit team in high-stakes environments. Now he shares an inside look at the group’s methods to equip you for the journey to continual improvement. He is also the founder & CEO of John Foley Inc. and CenterPoint Companies, which provides training on the “How of High Performance.”

On stage, video footage from John’s flights accompanies thrilling stories about flying inches apart at 500 mph. At the same time, he offers valuable lessons about the importance of preparation and communication to lasting success.

**General Session**
Friday, October 30th
8:00 – 9:00am

**Managing the Un-Imagineable**
Brock Long - Former Administrator of the Federal Emergency Management Agency

From hurricanes Harvey, Irma, and Marie to the California wildfires in 2017, Brock Long has helped communities navigate through a string of devastating natural disasters. As a former Director of FEMA, Long says that one thing that remains true, regardless of the situation on the ground, is that having a plan engaging both the public and private sector goes a long way in helping the community recover more quickly.

**Closing General Session**
1:30 – 2:30 pm

**The Design Community and Design-Build: Perspectives, Insights, and Opportunities**

Design excellence reflects the practice of good judgment throughout project procurement, development, and execution, as well as sound decision making within the limitations imposed by logistics, constructability, budget, scope, and schedule. Although design-Build is well-suited to deliver on amazing design in every way, it is no secret that some from the design community feel the business model can pose obstacles, while others have experienced unparalleled success elevating design in Design-Build. Prepare for open, honest dialogue intended to ensure that “design” doesn’t get lost in Design-Build as you hear from a panel of experts representing design firms of various design focus and size and about the good, the bad and the ugly of Design-Build from their perspectives.

All general sessions will be lived-streamed.
Targeted and Timely Design-Build Education

More than ever, it’s essential that our nation’s design-build teams have all the tools and resources available to deliver project success for our nation. The 2020 Design-Build Conference & Expo provides seven tracks of education designed to tackle today’s challenges with real-world solutions. Sessions in each track will be available to our in-person and virtual attendees. See our online program for the complete list of virtual sessions.

TRACK 1
Teaming & Collaboration Techniques for Optimal Outcomes
These sessions provide real-world tools to help build strong collaborative teams by establishing trust, defining goals and creating open communication lines to effectively manage responsibilities and risk.

TRACK 2
Effective Execution of Design-Build Project Delivery
Among design-build’s many strengths is its flexibility, allowing teams to deliver projects in many diverse ways. See how some of the nation’s most successful projects got it done.

TRACK 3*
The "New Normal" Engagement Sessions - How COVID-19 Has Changed the Industry
From safety to supply chain, the challenges we’ve faced have been enormous. What does the future hold for design-builders? These engagement sessions allow us to learn from each other.

*Track 3 sessions will not be virtual; however, recordings will be available online following each session.

TRACK 4
Design-Build Basics, Tools and Resources for Success
One size does not fit all. These sessions focus on the tools needed in every successful design-builders’ toolbox.

TRACK 5
Virtual Design and Construction
Technology is more important to project success than ever before. Are you innovating and tapping into the many tools available to turbocharge your team’s collaboration and success?

TRACK 6
Water/Wastewater Sectors: Delivering Design-Build Success
The WWW sector is maximizing collaboration, optimizing their supply chain engagement and delivering design-build success. Learn how in sessions targeted specifically for WWW design-builders.

TRACK 7
Transportation Sector: A Closer Look
Design-build continues to blaze trails in the Transportation sector. Using ATCs, P3s, a state DOT panel discussion, and case studies are among the Transportation track sessions.

Design-Build Conference & Expo Program

**Tuesday, October 27**
5:00 - 7:00pm Networking / Welcome Reception

**Wednesday, October 28**
8:00 - 9:15am DBIA Members and Credential Holders Breakfast Meeting
9:30 - 11:30am Owners Forum Practitioners Forum Student Mixer/Career Expo
11:30am - 12:45pm Nourish Your Body and Relax Your Mind! Grab N’ Go Lunch
1:00 - 2:15pm OPENING KEYNOTE - John Foley, Former Blue Angel Lead Pilot
2:30 - 4:45pm 7 Tracks of Design-Build Education
4:45 - 6:45pm Exhibit Hall Reception - Including Tech Pavilion & Infrastructure Blvd

**Thursday, October 29**
8:00 - 9:15am General Session: Design-Build Done “Wrong”: What GSA Learned in a Project Post-Mortem
9:30 - 11:45am 7 Tracks of Design-Build Education
11:45am - 1:45pm Exhibit Hall Reception - Including Tech Pavilion & Infrastructure Blvd
2:00 - 4:15pm 7 Tracks of Design-Build Education
4:15 - 6:15pm Exhibit Hall Reception - Including Tech Pavilion & Infrastructure Blvd
6:30 - 9:30pm Project / Team Awards Ceremony

**Friday, October 30**
8:00 - 9:00am General Session - Brock Long, Former FEMA Administrator
9:15 - 11:45am 7 Tracks of Design-Build Education
11:45am - 1:15pm Exhibit Hall Reception - Including Tech Pavilion & Infrastructure Blvd
1:30 - 2:30pm Closing General Session - Design Community and Design-Build: Perspectives, Insights, and Opportunities

Special Events

Celebrating DBIA Members & Credential Holders
Wednesday, October 28th • 8:00am–9:15am

Calling all DBIA members and Class of 2020 credential holders! Help us celebrate your peers at the DBIA Members’ Networking Breakfast and Membership Meeting as we honor those who earned their DBIA credential this year. Now more than ever, our nation needs certified design-build professionals to lead project teams as we manage the pandemic response and rebuild our economy.

We’ll also introduce you to the new group of design-build leaders who will serve you on the DBIA National Board of Directors and Certification Board. National leadership will brief members on our work in 2020 and plans for the future. Join us for a morning of members-only networking time.

2020 Design-Build Project/Team Awards Ceremony
Thursday, October 29th • 7:00 pm

New this year! We’ll live-stream and include a virtual happy hour. Plus the celebration is complimentary.

We’re ready for something to celebrate, how about you? What better way to mark our industry’s achievements than by honoring the nation’s best design-build projects and teams, this year’s class of DBIA Fellows and the Brunelleschi Lifetime Achievement Award winner? Design-build’s contributions to the national and international landscape continue to impress and inspire and this year’s awards ceremony promises to be an elegant evening and truly memorable event you won’t want to miss. The Awards Ceremony is complimentary for in-person and virtual attendees. Black tie optional. (1 CEU)

Federal Design-Build Symposium
October 27-28, 2020

DBIA will host the 2020 Federal Design-Build Symposium before the Conference & Expo. This in-person and virtual event provides the perfect opportunity for our federal sector Owners and industry to join us early for programming targeted specifically to the federal market. Attend both the Federal Design-Build Symposium and the Design-Build Conference & Expo and you’ll receive discounted registrations.

Federal Design-Build Symposium Snapshot

Tuesday, October 27
8:00 - 9:00am Opening Keynote Speaker -- Commander Kirk Lippold, USN (Ret.)

An engaged leader and a solid practitioner of hands-on crisis management, Commander Kirk Lippold has become a go-to global security expert for major news networks. The former Commander of the USS Cole demonstrates for audiences what he sees as the foundation of team success and time-critical decisions based on integrity. At a time when everything we have come to know is being reshaped by the coronavirus pandemic, Commander Lippold reveals how to lead teams and manage challenges successfully in the face of financial, national security, and global uncertainties.

9:15 - 10:15am TRACK 1 The People Make the Magic: The Role of Effective Collaboration

10:30 - 11:30am TRACK 2 Developing an Effective Acquisition Strategy

11:45 - 12:30pm Networking Lunch

12:15 - 1:00pm General Session -- Megaprojects: Changing the Conversation - FMI Research

Roughly one third of all construction projects are megaprojects ($Billions), and that number is increasing. However, the challenges with such projects are well documented with some parties involved beginning to question the megaproject model. FMI recently published a report that begins to examine how we might address these challenges and explores the key ingredients to successful megaprojects.

Wednesday, October 28

Federal Design-Build Symposium attendees will join the 2020 Design-Build Conference & Expo, Networking/Welcome Reception, Owners and Practitioners Forums and Wednesday’s Grab & Go Lunch.

Learn more and register at: dbia.org/conferences/federal-design-build.
Getting to Know the Area

History, Culture and Entertainment
The National Harbor is a dining and shopping mecca in National Harbor, Maryland with shuttle service to the Tanger Outlets and MGM Casino. It's also just across the river from Old Town Alexandria, Virginia and minutes away from Washington, D.C. During your visit to the nation’s capital, choose from world-class cultural events, vibrant neighborhoods, museums packed with history and so much more. There are numerous hop-on-hop off tour buses to help you see the city’s most popular tourist stops. Here are just a few of our favorite venues.

The National Mall
The long, grassy National Mall is home to iconic monuments including the Lincoln Memorial and the Washington Monument. At the eastern end is the domed U.S. Capitol, and the White House is to the north. It’s also flanked by Smithsonian museums.

Iconic Architecture
Washington, D.C. is home to some magnificent architecture. While you'll recognize most (the White House, U.S. Capitol) we recommend you visit some of the lesser-known locations like: The Hirshhorn Museum, Library of Congress, Union Station, National Museum of African American History and Culture, the Eisenhower Executive Office Building and the National Building Museum.

Nighttime Monuments Tour
Our national monuments are even more spectacular at night. Consider taking a walking or bus tour of the Lincoln, Vietnam Veterans, World War II, Korean War, Martin Luther King, Jr. and Franklin Delano Roosevelt Memorials, which are all closely located on the south end of the mall and West Potomac Park.

The Hotel
The 2020 Design-Build Conference & Expo will be held at the Gaylord National Resort & Convention Center at National Harbor located at 201 Waterfront Street, National Harbor, MD 20745.

DBIA has reserved a block of rooms for our attendees. Discounted room rates are available through October 5, 2020 or until sold out. A deposit of one night's room and tax is due at time of booking. Any reservations cancelled less than 48 hours prior to arrival will be subject to a one night's room and tax penalty.

Room Rates
Single/Double: $271/night includes Resort fee*
Government Rate (Single/Double): At prevailing per diem rate. *Resort fee not included
To receive the discounted rate use Group Block Code: BIA
Use B&G for government rated rooms

*Resort Fee includes:
National Harbor bus transportation to various locations throughout National Harbor
Daily credit for dry cleaning in the amount of $10.00
Limited local and domestic long-distance telephone calls
High-speed Internet access
Daily newspaper available at Key Provisions
Two bottles of Aquafina water per room per day
Fitness Center access & pool
Coupon book with a valued savings of over $10.00

Go to www.designbuildexpo.com for details or call +1 (888) 789-3090.

Getting There
Reagan National Airport
20 min (7 mi)
Taxi: $28
Super Shuttle: $20
Lyft: $16-$19

Dulles International
39 min (32 mi)
Taxi: $80
Super Shuttle: $40-$60
Lyft: $40-$50

Baltimore/Washington (BWI)
55 min (42 mi)
Taxi: $70
Super Shuttle: $40-$60

*Not included in Virtual Registration: Due to the interactive natures of these events, the Membership/Credential Holders Breakfast Meeting, Owners Forum, Practitioners Forum, Student Mixer/Career Expo, and Track 3 Sessions (Interactive Discussions) will be recorded and available to our virtual attendees following each session.

Join us at the 2020 Design-Build Project/Teams Awards Reception and Ceremony, in-person or virtually, free of charge. We'll also host a virtual happy hour for our remote attendees.

### Ways to Save

- **Become a DBIA MEMBER** before you register and save! Go to dbia.org/join
- **SMALL/DISADVANTAGED BUSINESS DISCOUNT**: Individuals employed by a business that is certified as a small, disadvantaged, minority, veteran or woman-owned business enterprise by any state or federal certifying authority are eligible for a 30% discount off the full conference registration fee. You will be required to provide the state, or federal certifying agency with which your company is registered. DBIA reserves the right to request a copy of the certificate from the certifying agency to validate eligibility for this discount.
- **YOUNG PROFESSIONALS**: DBIA’s Young Professionals (35 and younger) save 10%
- **GROUP DISCOUNT** (In-person only; not applicable to Virtual registration): Ten (10) or more paid full conference individuals from the same company can receive registration discounts. Register together to qualify. Visit designbuildexpo.com for details and group registration forms.

### Event Cancellation Policy

**COVID-19**

If there is a change in the COVID-19 operational status implemented by the government or facility mandating the cancellation of the in-person 2020 Design-Build Conference & Expo, registrations will be converted to the Conference & Expo virtual event. Any difference in those registration fees will be refunded.

**Attendees**

Written cancellation/refund requests received prior to October 2 will be assessed a $75 cancellation/processing fee. Cancellations received October 2 or later will be refunded the registration fee less a $100 cancellation/processing fee. No refunds will be given for “no-shows” or for cancellations received on or after October 16. All cancellations must be received in writing and sent to the DBIA Conference Department at meetings@dbia.org.

**Exhibitors and Sponsors**

Specific terms apply for companies, different than the policies shown above for individual registrations. Please review the terms and conditions of your contract for cancellation terms impacting paid sponsorships and exhibit booths. Send any questions to Patrick Wilson at pwilson@dbia.org
Continuing Education

Individuals who attend the full conference beginning with the Opening Keynote can earn up to 15 hours of Continuing Education Units (CEUs). Owners and Practitioners can obtain additional CEUs by attending the Owners or Practitioners Forum on Wednesday morning. In-person conference attendees may receive credit for attending the Awards Dinner.

DBIA is an approved AIA provider.

Attend Two Events & Save

Attend the pre-conference Federal Design-Build Symposium on Monday and Tuesday (October 27-28) and save. Use this one-time code "DBC20" when you register to receive your dual-conference savings.

This discount cannot be combined with any other offers and requires registration at both events.
