

# The Nation's *Only* Design-Build Sector Conferences

Virtual  
April 12-14, 2021

Virtual  
April 21-23, 2021

# Our Industry is Ready to Lead America's Recovery

## Join us and make the connections needed to drive that success.

Now that we're putting 2020 in our rearview mirrors, we're challenged to define a recovery that rebuilds our nation's communities. Design-build teams will continue to play a leading role, now and into the future, delivering the nation's most innovative, cost, and time-efficient projects possible. This year nearly half of all construction spending will be design-build, and our teams are poised to drive our nation's recovery. We want you to be a part of it!

The 2021 Design-Build for Water/Wastewater and Transportation/Aviation Conferences provide unparalleled access to decision-makers, team members, and hundreds of public and private Owners. Our conference attendees know they can meet prospective team members with a broad range of expertise among our exhibitors and sponsors. We're here to help you make those connections.

This year's virtual events will provide four tracks of sector-specific education (20+ sessions each) for both the Water/Wastewater and Transportation/Aviation sectors, impressive General Session speakers, and some "just for fun" programming. Our virtual exhibit hall will be totally revamped in 2021 to include improved real-time engagement tools, attendee matches, and enhanced analytics for following up on prospects.

As much as we'd love to get together in-person this spring, DBIA is committed to your safety and will be virtual in April. But virtual doesn't have to mean lesser-than.

## DBIA is Committed to Help You Connect

**Build your Team:** Network with all members of the project team, including general contractors, designers, engineers, MEPs, attorneys, and finance professionals.

**Meet Industry:** Our attendees represent all members of a design-build team. Meet with those who have the power to make instant decisions.

**Meet Owners:** Owners, including key officials from local, state, and federal agencies, attend DBIA events and build relationships here that last.

**Earn CEUs:** All packages include free full conference passes so that team members can attend the educational sessions and earn credit hours.

## Double Conference Savings

If you sponsor and/or exhibit in both DBIA's 2021 Water/Wastewater and Transportation/Aviation Conferences, you can **take 20% off** your sponsor/exhibit package for each event.

That discount is applied when the selection to purchase booths/sponsorships for both events is made simultaneously.

## Be a Part of Our Program

DBIA Sponsors are an important part of our conference program. We offer several high-visibility opportunities to put your organization front and center to our conference attendees.

Concurrent Tracks (4)

Opening Keynote (1)

General Sessions (3)

15-minute Session Breaks (3): This is when we provide diversions for our Zoom weary attendees with yoga, mindfulness, and safety demos.

30-minute Session Break (1): This is where the magic happens with our DBIA magician performance.

Design-Build Product and Tech Demos (6)

Event "Powered by:" homepage and banner crawl sponsorship

Daily News Updates (3)

*...and so much more!*

## Thank you to our co-sponsors:

**DBIA ALSO THANKS THE WATER DESIGN-BUILD COUNCIL FOR THEIR ONGOING SUPPORT.**

# Exhibitor Packages

DBIA's enhanced exhibitor module will deliver improved access for our exhibitors by working seamlessly with our exhibitor/sponsor service center to manage all your DBIA conference needs.

**You're in Control:** Each exhibitor will have individual control over your virtual exhibit space. Your team will choose and upload your booth's content allowing you maximum customization.
