

# 2022 DBIA Education

## More Convenient than Ever

2022 brings exciting changes to DBIA's impressive Design-Build Done Right® education and certification program. Not only will we continue our top-rated virtual and in-person courses but our attendees also have access to a convenient education platform to manage their coursework, CEUs, and certificates. Accessing the nation's only Design-Build Done Right® training has never been easier. [Register early](#) to save your spot!

## Virtual/Hybrid/In-Person

### [Certification Workshops & Individual Classes](#)

Flexibility and ease of access are our goals. DBIA is committed to delivering design-build training to your team in a way that fits you best. DBIA instructors are experts in our industry. They bring decades of real-world design-build experience to their courses, providing practical and personal attention to ensure attendees leave with "how-to" strategies and techniques for their successful design-build projects.
