

DBIA APPROVED FIELDS OF STUDY

Equivalent similarly named programs will be considered, subject to the DBCB discretion

ARCHITECTURE

Architectural Studies
Architecture
Architecture Technology
Building Technologies
Community Design
Digital Design, Visualization, and Fabrication
Environmental Design
Historic Preservation
Interior Design
Landscape Architecture
Sustainability, High Performance, and Resilience
Urban Planning

CONSTRUCTION MANAGEMENT

Construction Engineering
Construction Engineering Technology
Construction Management
Construction Management Technology
Construction Science

ENGINEERING

Acoustical Engineering
Agricultural Engineering
Architectural Engineering
Bioengineering and Biomedical Engineering
Chemical, Biochemical, Biomolecular
Civil Engineering
Cybersecurity Engineering
Electrical, Computer, Communications, and
Telecommunication(s) Engineering
General Engineering, Engineering Physics, and
Engineering Science
Engineering Management
Engineering Mechanics
Environmental Engineering
Fire Protection Engineering
Geological Engineering
Industrial Engineering

Manufacturing Engineering
Materials and Metallurgical Engineering
Mechanical Engineering
Mechatronics and Robotics Engineering
Mineral Processing and Extractive Metallurgical
Engineering
Mining Engineering
Petroleum Engineering
Surveying/Geomatics
Systems Engineering
Transportation Engineering

ENGINEERING TECHNOLOGY

Air Conditioning, Refrigerating, Heating and
Ventilating Engineering Technology
Architectural Engineering Technology
Chemical/Refinery Process Engineering Tech
Civil Engineering Technology
Electrical/Electronic(s) Engineering Technology
Electromechanical Engineering Technology
Engineering Graphics/Design/Drafting
Engineering Technology
Engineering Technology
Environmental Engineering Technology
Fire Protection Engineering Technology
Healthcare Engineering Technology
Industrial Engineering Technology
Information, Information Security,
Cybersecurity, and Information Assurance
Engineering Technology
Instrumentation and Control Systems
Engineering Technology
Manufacturing Engineering Technology
Mechanical Engineering Technology
Mechatronics Engineering Technology
Surveying/Geomatics Engineering Technology
Telecommunications Engineering Technology
