

2024 DBIA Education

More Convenient Than Ever

Our 2024 Design-Build Done Right® education, certification workshops, webinars and conference recordings are available through DBIA's Learning Center to help you add to your design-build expertise. We're continuing to offer our top-rated programs in-person and virtually. Attendees also have access to our convenient education platform to manage their coursework, CEHs and certificates. Accessing the nation's only Design-Build Done Right® training has never been easier. [Register early](#) to save your spot!

In-Person/Virtual

Certification Workshops & Individual Classes

Flexibility and ease of access are our goals. DBIA is committed to delivering design-build training to your team in a way that fits you best. DBIA instructors are experts in our industry. They bring decades of real-world design-build experience to their courses, providing practical and personal attention to ensure attendees leave with "how-to" strategies and techniques for their successful design-build projects.

Discounts are available for federal government agencies and employees under DBIA's GSA Federal Supply Schedule. [GSA pricing available](#).

Webinars

DBIA Training on Your Schedule

DBIA's live webinars provide Design-Build Done Right® education with a click of a mouse. Our webinar instructors are leaders in the industry and offer their expertise across a wide range of topics. Webinars provide the interactivity of in-person training with the convenience of online education.

Company-Based Training

You Know Best What Your Organization Needs

DBIA will tailor our courses to fit your organization and then bring our educators to your workplace. Our in-house and virtual training options are customized to bring your team the best of Design-Build Done Right® education when and where you need it.

Collaborative Delivery Leadership Academy

This new Academy is designed to equip AEC professionals with the leadership skills and mindset needed to successfully make the mental shift from a segregated services approach to an integrated one. The Academy consists of six modules, each focused on a distinct component of the Design-Build Done Right® Leadership model. Courses are designed to prepare design-build team members from any position, role, discipline or expertise for the purpose-driven leadership style integral to design-build's collaborative nature.

Conference Recordings

Earn CEHs from Conference Recordings

DBIA posts all concurrent education and select General Sessions from conferences online. Miss a session, or the conference altogether? No problem! You can purchase and view individual sessions or an entire conference package. (DBIA provides access to our conference session recordings for a maximum of two years.)
