

Distinguished Leadership Award Nomination Guidelines

DBIA is accepting nominations for the 2024 Distinguished Leadership Awards. These awards are presented to individuals who have demonstrated leadership in the advancement of effective design-build practices and in the promotion of design-build as a project delivery method of choice.

Nominations will be judged based on the overall impact of the nominee's activities with specific attention on the nominee's achievements in furthering the understanding and use of design-build as an effective and efficient delivery method. DBIA understands that the means and methods by which the nominee achieves this goal will vary depending on the position they occupy within the industry. Nominee categories include:

- Owner
- Industry Practitioner
- Student (undergraduate or graduate)
- Faculty/Academia
- Young Professional (35 or younger)

Nominees are not required to hold DBIA membership, but additional consideration will be given to those who are current, active members.

Nominations Due: Monday, August 19, 2024, 5:00PM ET

Before submitting your **online nomination**, below is the information you will need to supply for your nominee. Please note, once you begin filling out the online form, you will not be able to save and come back to it. Please be sure to gather all of the following information prior to starting your online submission:

About the Nominee

Distinguished Leadership Award Nomination Guidelines

About the Nominee (Continued)

- Describe how the nominee meets the criteria outlined above. Specific examples strengthen the nomination, as do specific references to involvement at the DBIA Region and/or Chapter levels. (300 words or less)
- Provide an overview of any industry involvement (i.e., related industry memberships, boards, committees, etc.) that has helped the nominee in the advancement of design-build.
- List any individual awards/recognitions the nominee has received in the last five (5) years. Enter “N/A” if none.

Testimonials

- Provide a testimonial from up to three (3) people that have worked closely with, or benefited from, the nominee’s efforts related to advancing the understanding and/or use of design-build. Testimonials should come from those other than the submitter of this nomination. (300 words or less)
 - a. Testimonial
 - b. Name of person providing testimonial
 - c. Title and company of person providing testimonial
 - d. Email of person providing testimonial
 - e. Phone number of person providing testimonial

About the Nominator

- Nominator full name
- Nominator position/title (if currently employed)
- Nominator company
- Nominator email address
- Nominator phone number
- Nominator relationship to nominee (i.e., colleague, worked together on a project, personal friend, etc.)
