# Attend the Largest Design-Build Gathering of the Year!

We're in Texas for the 2024 Design-Build Conference & Expo, where everything is bigger and better! Come be a part of the largest national gathering of the year for the design-build market and the only event centered exclusively on design-build. From design-build practitioners and specialty contractors to public and private Owners, the Conference & Expo features 2,200+ attendees and exhibitors from all design and construction sectors – a number that keeps growing year after year!

On Tuesday, Nov. 5, DBIA has brought back the Virtual Design & Construction Leadership Exchange (VDCLEx) as a half-day pre-conference experience for both experienced VDC professionals and those new to VDC. We're also offering "Leadership: Building a Strong Foundation," the foundational course in the Collaborative Delivery Leadership Academy that explores the crucial competencies for effective Design-Build Done Right® Leadership (*additional fees apply*).

With three days of packed programming featuring 30 education session in five designated tracks, our event provides unparalleled access to meet decision-makers and network with all members of project teams, plus get insights from experts on what's ahead for our industry.

## Leadership: Building a Strong Foundation

Prerequisite course in the [Collaborative Delivery Leadership Academy](#)

Leadership matters. Distinguishing different ways to lead is at the crux of Design-Build Done Right®. This course will introduce the 18 competencies associated with the universal model of effective leadership and share why only 20% of all leaders demonstrate these characteristics. These competencies are well researched and shown to be positively correlated to leadership effectiveness and business performance and are highly aligned with Design-Build Done Right®.

*Registration for this event does not include access to Nov. 6–8 conference sessions, keynotes or exhibit hall.*

DESIGN-BUILD VDC LEADERSHIP  
**EXCHANGE**

***View the [full VDCLEx program here!](#)***

The Virtual Design & Construction Leadership Exchange (VDCLEx) is back, continuing to explore how VDC is impacting designers, builders and Owners by enhancing design excellence, increasing quality and productivity, as well as improving lifecycle costs.

This half-day pre-conference event includes a general session, Leaders Forum and two specialized tracks: one for experienced VDC professionals and the other for non-VDC professionals. So no matter what your level of VDC experience, the VDCLEx offers opportunities to better understand how design and construction technology and emerging processes are integral to driving greater efficiencies on design-build projects.

*Registration for this event does not include access to Nov. 6–8 conference sessions, keynotes or exhibit hall.*

# Featured Events

## OPENING RECEPTION WITH DBIA SOUTHWEST REGION

*Tuesday, Nov. 5, 6:00 – 9:00PM*

Get ready for some Western-themed FUN! Unwind with beverages, food, games, prizes and more! Relax and enjoy the company of friends, peers and colleagues!

## PRACTITIONERS' FORUM

*Wednesday, Nov. 6, 8:00 – 11:00AM*

This year's Practitioners' Forum will take an up close and personal look at DBIA's highest priority initiatives. Topics include key considerations for the expanded use and interest of Progressive Design-Build, perspectives from the A/E community on design-build challenges, understanding the importance of early trade partner involvement, technology to drive efficiency and outcomes, design management in design-build and much more.

## OWNERS' FORUM

*Wednesday, Nov. 6, 8:00 – 11:00AM*

Touted by Owners as a highly valuable education and networking experience, the Owners' Forum allows open, honest discussion and provides Owner professionals the opportunity to share views, pose questions, find solutions to project delivery challenges and network with colleagues.

*Owner Advisors are not allowed in the Owners' Forum unless DBIA has obtained written confirmation from the Owner that the Advisor is at the conference specifically serving as an extension of the Owner. Industry professionals, including consultants, are not permitted in this session.*

## MEMBERSHIP MEETING & REGION ROUND-UP

*Wednesday, Nov. 6, 11:15AM – 1:00PM*

Join the DBIA National Board and staff leadership as we roll out DBIA's 2025–2027 Strategic Direction, elect members to the National Board and introduce the 2025 Board officers. Grab lunch and meet and network with leaders from DBIA's 14 affiliated regions. DBIA's network of regions play a major role in the growth and success of design-build. It is at the region and chapter levels that members often feel the greatest sense of affiliation, with enhanced opportunities for networking, peer-to-peer learning, and professional development. Make connections early in the conference that you can build on when you're back home.

## OPENING PARTY AT LONGHORN BALLROOM (OFFSITE) (TICKETED EVENT)

*Wednesday, Nov. 6, 6:30PM*

Get ready to take over the Longhorn Ballroom with dancing, music, games, food and drinks. With four distinct gathering areas under one roof, there will be entertainment for everyone! Fun fact: The Longhorn Ballroom is officially listed on the national Register of Historic Places. See [page 12](#) to purchase tickets.

## AWARDS DINNER & CEREMONY (TICKETED EVENT)

*Thursday, Nov. 7, 7:00PM*

What better way to celebrate our industry's success than by honoring the nation's best design-build projects, teams, the 2024 Class of DBIA Fellows and this year's Brunelleschi Lifetime Achievement Award winner?

Design-build's contributions to the national and international landscape continue to impress and inspire. This year's awards dinner promises to be an elegant evening and truly memorable event you won't want to miss. See [page 12](#) to purchase tickets.

# Featured General Sessions

## OPENING KEYNOTE: THE THIRD DOOR MINDSET: OVERCOMING FEAR TO ACCELERATE GROWTH

*Wednesday, Nov. 6, 1:15 – 2:30 PM*

Bestselling author **Alex Banayan** kicks the conference off with insights from his book “The Third Door,” focusing on how breaking down barriers and overcoming fear can open new doors to success. Banayan’s perspective comes from interviews with icons like

Maya Angelou and Bill Gates. A renowned keynote speaker who has presented to global giants like Apple, Google and Nike, he will share strategies that have cemented his reputation as an expert in high-performance and personal development.

## THE DESIGN-BUILD DATING GAME: FINDING THE PERFECT MATCH

*Thursday, Nov. 7, 8:00 – 9:30AM*

In this fun twist on collaboration, the classic TV show The Dating Game takes center stage — with a design-build spin. A “bachelor” design-builder will be matched with three “contestant” Owners, each eager to share their perspective on working relationships. Moderated by industry veterans, this interactive session will highlight how to create successful partnerships and spark new ideas for fostering collaboration and innovation across project teams. Don’t miss out on the fun, we’ll be taking live audience questions as we work to create the perfect match.

## THE ECONOMIC OUTLOOK WITH FMI CEO CHRIS DAUM

*Friday, Nov. 8, 8:00 – 9:15AM*

CEO of FMI Corporation **Chris Daum** delivers a must-hear economic forecast for the construction industry. With market analysis and strategic insights, Daum will explore emerging trends, potential disruptions and economic factors that influence design-

build. Daum’s session will provide attendees with an understanding of how to navigate economic challenges and position their organizations for growth. His expertise offers a critical look at what’s ahead and how to plan to meet it.

## CLOSING GENERAL SESSION: FLUX: 8 SUPERPOWERS FOR THRIVING IN CONSTANT CHANGE

*Friday, Nov. 8, 1:30 – 3:00PM*

**April Rinne**, futurist and author of “Flux: 8 Superpowers for Thriving in Constant Change,” will guide attendees through eight powerful strategies to thrive — not just survive — in the face of constant change. As the AEC industry evolves, embracing uncertainty is

critical to staying ahead. Named one of Forbes’s “50 Leading Female Futurists,” Rinne’s insights have guided top companies and governments around the globe.

# For Students and Young Professionals

## STUDENT PANEL AND ROUNDTABLE DISCUSSION

*Wednesday, Nov. 6, 9:00 – 11:00AM*

In this special event for students, industry leaders will lead thought-provoking conversations with students on the future of the industry, and the important role of the next generation of design-build leaders. Students will network and connect with other student leaders from across the country, making connections that last a lifetime. This event sets the stage for introductions to industry firms who are ready to engage with students for the remainder of the conference, including those with internship and/or career opportunities.

## YOUNG PROFESSIONALS MIXER

*Wednesday, Nov. 6, 4:15 – 6:15PM*

This networking and cocktail mixer will be a fun way for DBIA Young Professionals (35 and younger) to get to know each other and find connections. You'll have opportunities to be engaged and active throughout the conference.

## STUDENT COMPETITION, FINAL ROUND

*Thursday, Nov. 7, 10:00AM – 1:30PM*

The National Design-Build Student Competition provides young design-build professionals the opportunity to create a project as a team, present it to some of the industry's leading pros and earn national recognition for their innovative work. This year's project is an airport expansion at a major airline hub.

## CONNECT WITH EXHIBITORS DURING EXHIBIT HALL HOURS

*Wednesday, Nov. 6, 4:00 – 6:00PM*

*Thursday, Nov. 7, 11:15AM – 1:15PM*

*Thursday, Nov. 7, 4:15 – 6:15PM*

*Friday, Nov. 8, 11:45AM – 1:15PM*

DBIA wants to assist students and young professionals in making meaningful networking connections at the Conference & Expo by gathering resumes. Resumes provided will be shared with exhibitors in advance of the conference to help exhibitors and interested attendees in connecting on site. Exhibitors represent key industry players ranging from general and specialty contractors to design firms and specialty trades to manufacturers and suppliers. Participating exhibitors will be designated with this sign at their booth.

If you are interested in participating in this opportunity to jumpstart your design-build career, please submit your resume via [this link](#).

## WAYS TO SAVE

### Become a DBIA member

Join before you register and take advantage of significant savings. Visit [dbia.org/join](https://dbia.org/join) to learn about the benefits of being a member and to join online.

### Special Discounts

- **Young Professionals (NextGen):** DBIA's Young Professionals will rule the world someday! That's why we're offering a special conference registration rate to those 35 years old and younger. YPs can save 10% off their individual registration.
- **UBEs:** DBIA is committed to helping America's design-build teams find and hire Underutilized Business Enterprise (UBE) firms and the first step is to build those networks vital for successful collaboration. We want UBE firms to attend this important event and are offering a 20% discount for certified UBE firms. Contact our registration team at [conferences@dbia.org](mailto:conferences@dbia.org) for details on how to take advantage of these savings.
- **Groups:** Ten (10) or more paid full conference individuals from the same company receive a significant discount on a full conference registration. Discounts range from \$150/person to \$250/person depending on the number of people and registration type.
