Collaborative Delivery Leadership Academy

This Academy is designed to equip AEC professionals with the leadership skills and mindset needed to successfully make the mental shift from a segregated services approach to an integrated one. The Academy consists of six modules, each focused on a distinct component of the Design-Build Done Right® Leadership model. Courses are designed to prepare design-build team members from any position, role, discipline or expertise for the purpose-driven leadership style integral to design-build's collaborative nature.

The six courses in the Academy are offered via three convenient options:

1. **Leadership Mastery Bootcamp:** Take all six courses in the Academy in person over five consecutive days.
2. **Accelerated Leadership Bootcamp:** Take three courses in person over three consecutive days and register for the remaining three courses a la carte.
3. **A la carte:** Register for virtual offerings as well as individual courses within either the Mastery or Accelerated Bootcamp.
